

In the case of inclement weather on the day of training, cancellations will be announced on KICX and KIOD, McCook, or by calling the county extension office. A separate letter will follow for those who will require re-certified for Chemigation. If you have any questions please call your local extension office or myself at the Red Willow county office, (308)345-3390 or [kat.caswell@unl.edu](mailto:kat.caswell@unl.edu).
