LOCAL COST-SHARE

Cost-share will be provided only on trees and mulch purchased from the district.

Trees must be planned either by the NRD, the NRCS or the District Forester.

Trees must be planted by the District. Forms will be provided by the District for use as cost-share application. Eligible rows for cost-share on mulch are those with an in row spacing of 12 foot or less. District crew may refuse to plant trees or install mulch on sites without adequate site preparation. Deposit and cost-share will be credited to final billing.

DEPOSIT ON TREES IS NON-REFUNDABLE

A 200 tree minimum is required for machine plantings.

Mulch installation may not be possible on some tree and shrub species.

Mulch will not be installed on curved rows.

Mulch installation requires site preparation of at least 10 foot wide strip.

Local Cost-share.

45 cents per tree

\$25.00 for machine planting

\$1.00 per tree for water conservation mulch
